To Whom It May Concern:

At *Collegiate School of Memphis*, we hold excellence and attention to detail as top priorities – with our scholars as well as with our faculty and staff. We expect the same from the service vendors we use. I am pleased to say that **One Touch Cleaning Service** exceeds these expectations in providing janitorial service for our facility.

We have used **One Touch Cleaning Service** since August of 2010. Elvis Tunstall works closely with our Building Engineer to address problems, fill requests, and ensure all responsibilities are carried out. Mr. Tunstall is extremely easy to work with. Everything is handled in a timely manner. Mr. Tunstall's staff is always courteous and dependable. Our building is always left clean and secure.

As an urban private college preparatory school, *Collegiate* believes that the school building that is spotlessly clean actually fosters learning – which, in turn, impacts student achievement. **One Touch Cleaning Service** plays a vital role in helping to prepare our young ladies and gentlemen for college success.

It is such a relief to be confident in our janitorial service. I believe we are getting a great value and excellent service. I would recommend **One Touch Cleaning Service** again and again. Feel free to call me if you would like to discuss this recommendation further.

For college success,

To Whom It May Concern:

I personally want to recommend One Touch Cleaning Service, operated by Elvis Tunstall, to any business in need of cleaning services. One Touch Cleaning has provided cleaning service to our office facilities twice a week now for several months. The office has never been so clean and I look forward to coming to work on days after Elvis' crew has been here.

Elvis takes personal responsibility for his business and ours. He has at times called me on my cell phone to notify me of things that are out of the normal even on the weekend. I really appreciate the way he looks out for my interest as well as his own.

I cannot give One Touch Cleaning a high enough recommendation as a professional and experienced cleaning service company.

Sincerely,

Re: Maintenance Management

Elvis,

I would like to thank you for the incredible job that you do and have done for our D3 Memphis location. The sad fact is all too often companies don't pay attention to details, only cleaning things they believe will be seen by others. You and your crew take the time to take care of those details. That is why I've told many people about your company and will continue to share your company with others. Once again, thank you for all that you do for D3 Technologies.

Regards,

To Whom It May Concern,

This letter is my personal recommendation for One Touch Cleaning Service, operated by Mr. Elvis Tunstall. One Touch Cleaning had provided commercial janitorial services for over two years for Twin Creeks Technologies SE LLC at its Senatobia, MS campus. They performed general cleaning of the office areas including work-desks; break rooms, conference rooms and restrooms. In addition, they maintained overall cleanliness of the production areas by performing regular sweeping, scrubbing, mopping and vacuuming activities.

Once Touch Cleaning continuously provided a professional service with friendly staff. They would go to great extents to accommodate our needs here at Twin Creeks. I highly recommend One Touch Cleaning Services for janitorial needs.

Sincerely,

Harish Bolla
